**FAX DISTRIBUTION #21**

TO: Airport Tenants  
FROM: Cynthia Stewart, Airport Manager  
RE: **Planned Runway Closures**

We have scheduled a final series of storm drain pipe and pavement repairs for Saturday, May 19, 2001. Assuming that all goes according to plan, this will complete the storm drainage work and the majority of our earthquake related pavement repairs.

Work scheduled for Saturday involves milling and paving on Taxiways A and B; storm drain repairs in various locations on the main and short runways, as well as ramp areas; crack repairs in various locations. This work will involve the following impacts.

1. Taxi A at A-6 will be closed from 0600-1000 hrs.
2. Short Runway 13L/31R will be closed from 0700-0930 hrs.
3. The main Runway 13R/31L will be closed from 0930-1430 hrs. During this same period the short runway operating category and weight will be increased to 30,000 lbs. Taxiway B will also closed south of B-3 to north of B-6 during this period.
4. From 1430-1830 hrs the north 4600 feet of the main Runway 13R/31L will be opened.
5. At 1830 hrs the main Runway 13R/31L will re-open at full length, 10,000 feet.
6. Milling and paving operations on Taxiway B may result in further isolated closures beyond the times shown, however minimal operational impact is anticipated.

**PLEASE CHECK NOTAMS TO CONFIRM CLOSURE DETAILS**

As always, we appreciate your continued patience and cooperation during this period. Should you have questions regarding this information please contact Mike Colmant, Assistant Airport Manager at (206) 296-7453.
